-- Old West versus New West : Peron's 'third position', Latin America,
and the Atlantic Community / Loris Zanatta.

Sommario/riassunto

In this volume, essays by scholars from both sides of the Atlantic open new perspectives on the construction of the ""Atlantic community"" during World War II and the early Cold War years. Based on original approaches bringing together diplomatic history and the history of culture and ideas, the book shows how atlantism came to provide a solid ideological foundation for the security community of North American and European nations which took shape in the 1940s. The idea of a transatlantic community based on shared histories, values, and political and economic institutions was instrumental t
