Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Liberalization's limits from Griswold to Roe -- Consistent conservatism in Boutilier -- Liberalization's lawyers -- Boutilier's defenders -- Boutilier's defense -- Remembering Griswold to Roe -- Forgetting Boutilier.
Sommario/riassunto	The U.S. Supreme Court of the 1960's and 1970's is typically celebrated by liberals and condemned by conservatives for its rulings on abortion, birth control, and other sexual matters. In this new work, historian Marc Stein demonstrates convincingly that both sides have it wrong. Focusing on six major Supreme Court cases, Stein examines the more liberal rulings on birth control, abortion, interracial marriage, and obscenity in Griswold, Fanny Hill, Loving, Eisenstadt, and Roe alongside a profoundly conservative ruling on homosexuality in Boutilier.
