Sommario/riassunto	This practical handbook gives a comprehensive legal overview of regulatory issues for non-German investment companies which intend to sell the units of their investment funds in Germany. It provides useful legal information for entering the German market. The authors explain the conditions in which non-German investment products come within the scope of the German Investment Act (regulated investment funds). This book assists the readers in distinguishing between the strict boundaries of private placements and the wider rules of public distribution. Readers are provided with a legal overview i
