antiquity / M. Goodman -- Chapter Eighteen. Sacred space in Diaspora
 judaism / M. Goodman -- Chapter Nineteen. Jews and judaism in the
 mediterranean Diaspora in the late-roman period:The limitations of
 evidence / M. Goodman -- Index of names and subjects / M. Goodman
 -- Index of ancient literature / M. Goodman.

Sommario/riassunto

Judaism in the Roman World deals with the religious lives of Jews in the Roman world from late Second Temple times to the Later Roman Empire. *** The studies collected here analyse a series of issues important in the development of Judaism in this period: the role of the Temple and pilgrimage in the first century CE; the attitude of Jews to the physical texts of the Torah and to the scribes who produced them; the extent of variety and change within Judaism before and after 70 CE and the nature of the evidence for particular types of Judaism; the role of synagogues and images in Jewish worship; and relations between Jews and Christians in the early centuries. *** This book should be particularly useful to students of ancient Judaism and those interested in Christian origins.

Sommario/riassunto	The clock is relentlessly ticking!Our world teeters on a knife-edge between a peaceful and prosperous future for all, and a dark winter of death and destruction that threatens to smother the light of civilization. Within 30 years, in the 2030 decade, six powerful 'drivers' will converge with unprecedented force in a statistical spike that could tear humanity apart and plunge the world into a new Dark Age. Depleted fuel supplies, massive population growth, poverty, global climate change, famine, growing water shortages and international lawlessness are on a crash course with potentially catastr
