Sommario/riassunto	Fundamentals of Workplace Learning is a comprehensive guide to how people learn in the workplace, and the issues and challenges involved. Examining the essential aspects of workplace learning and unravelling

the various influences which affect the success of work-based learners, Knud Illeris presents a holistic model to explain how diverse individuals can be encouraged and invited to learn at work. Approaching workplace learning from the perspective of learners as human beings, with complex social and psychological needs, as opposed to resources to be managed, this book exami
