Sommario/riassunto	In A History of Diplomacy, historian Jeremy Black investigates how a form of courtly negotiation and information-gathering in the early modern period developed through increasing globalization into a world-shaping force in twenty-first-century politics. The monarchic systems of the sixteenth century gave way to the colonial development of European nations-which in turn were shaken by the revolutions of the eighteenth century-the rise and progression of multiple global interests led to the establishment of the modern-day international embassy system. In this detail
