| Sommario/riassunto | The book provides an updated account of justice reform in Afghanistan, which started in the wake of the US-led military intervention of 2001. In particular, it focuses on the role of international actors and their interaction with local stakeholders, highlighting some provisional results, together with problems and |

dilemmas encountered in the reform activities. Since the mid-1990s, justice system reform has become increasingly important in state-building operations, particularly with regard to the international administrations of Bosnia, Kosovo, East Slavonia and East Timor. St
