| Sommario/riassunto      | The majority of the British population no longer attend church and, consequently, lack familiarity with the Christian tradition, its stories, language and metaphors. However, when bereaved, many still turn to church representatives, working in parish settings or chaplaincies, to perform funerals for their loved ones. The key issue addressed in this book is how funerals may be created which are not only relevant for the bereaved, but also have theological integrity. A paradigm shift in the manner by which funerals are constructed is proposed - from imposing alien liturgies to creating a unique |
