

1. Record Nr.	UNINA9910459098203321
Autore	Borchardt Dietrich
Titolo	Integrated Water Resources Management in a Changing World Lessons Learnt and Innovative Perspectives [[electronic resource]]
Pubbl/distr/stampa	London, : IWA Publishing, 2014
Descrizione fisica	1 online resource (234 p.)
Altri autori (Persone)	IbischRalf
Soggetti	Integrated water development Water-supply -- Management Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di contenuto	<p>""Cover ""; ""Copyright""; ""Contents""; ""About the Editors and Contributors""; ""Preface""; ""Message from the Dresden International Conference on Integrated Water Resources Management""; ""Report from the Dresden International Conference on Integrated Water Resources Management""; ""Theme I: Water resources management in changing environments""; ""Pan-European freshwater resources in a changing environment: how will the Black Sea region develop?""; ""Integrating water resources management in eco-hydrological modelling""</p> <p>""Methodological challenges in evaluating performance, impact and ranking of IWRM strategies in the Jordan Valley""""Theme II: Groundwater management""; ""Irrigated agriculture and groundwater resources resources a€? towards an integrated vision and sustainable relationship ""; ""An expert system for real-time well field management ""; ""Riverbank filtration in India a€? using ecosystem services to safeguard human health ""</p> <p>""A groundwater perspective on the river basin management plan for central Portugal resources a€? developing a methodology to assess the potential impact of N fertilizers on groundwater bodies</p> <p>""""Consideration of emerging pollutants in groundwaterbased reuse concepts""; ""Theme III: Technologies and implementation""; ""Adapting to water scarcity: constraints and opportunities for improving irrigation</p>

management in Khorezm, Uzbekistan"; "Sustainable water resources management in the Long Bien district of Hanoi, Vietnam"

"Stakeholder participation and capacity development during the implementation of rainwater harvesting pilot plants in central northern Namibia ""The situation of sanitary systems in rural areas in the Miyun catchment, China"; "A mathematical approach to find long-term strategies for the implementation of resource-orientated sanitation ";

"Theme IV: Water management indicators at different scales"; "Risk and monitoring based indicators of receiving water status: alternative or complementary elements in IWRM?"

"Attributiveness of a mass flow analysis model for integrated water resources assessment under data-scarce conditions ""Theme V: Information and decision support systems"; "IWRM decision support with material flow analysis: consideration of urban system input "; "A decision support procedure for integrative management of dammed raw water reservoirs"; "Estimating the recreational carrying capacity of a lowland river section"; "Sustainable management of a coupled groundwater-a€? agriculture hydrosystem using multi-criteria simulation based optimisation"

"Can hydro-economic river basin models simulate water shadow prices under asymmetric access?"

2. Record Nr.	UNINA9910965940303321
Titolo	Functional structure in DP and IP : the cartography of syntactic structures . Vol. 1 / / edited by Guglielmo Cinque [[electronic resource]]
Pubbl/distr/stampa	New York ; , : Oxford University Press, , 2023
ISBN	0-19-028754-3 0-19-772165-6 0-19-534890-7 1-280-53230-0 1-4294-0332-2
Descrizione fisica	1 online resource (242 pages)
Collana	Oxford studies in comparative syntax. Oxford scholarship online.
Disciplina	415
Soggetti	Grammar, Comparative and general - Syntax Functionalism (Linguistics)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Previously issued in print: 2002.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Contributors; 1 Mapping Functional Structure: A Project; Part I: DP Functional Structure; Part II: IP Functional Structure; Subject Index; Language Index; Name Index
Sommario/riassunto	Presenting the results of a long-term research project, funded by the Italian government, this text provides a comprehensive mapping of various functional structures in natural languages.
