Sommario/riassunto

This book is for working film/TV professionals and students alike. If you're a line producer, production manager, production supervisor, assistant director or production coordinator--the book has everything you'll need (including all the forms, contracts, releases and checklists) to set up and run a production--from finding a production office to turning over delivery elements. Even if you know what you're doing, you will be thrilled to find everything you need in one place. If you're not already working in film production, but think you'd like to be, read the book -- and then decide. If you c
