Sommario/riassunto	This book examines the relationship between the Czech Republic and the European Union (EU). The authors examine the Czech Republic's road to EU membership in 2004 and assess how EU accession has affected or changed the Czech Republic, including its domestic politics, governing institutions and public policies. It also examines how the Czech Republic has behaved as an EU member state, addressing the questions: What are the Czech Republic's interests in the EU and how

has it sought to influence EU policymaking? How have Czech interests and behaviour been
