Army War College Administrators and College Policymakers; Conclusion; Notes; Index
Sommario/riassunto	We are all familiar with ROTC, West Point, and other institutions that train young men and women to be military officers. But few people know of the U.S. Army War College, where the Army's elite career officers go for advanced training in strategy, national security policy, and military-government policymaking. This book takes readers inside

the U.S. Army War College to learn about the faculty, staff, administration, and curriculum. Established in 1901, the school's mission has evolved from teaching the skills of war to training officers to negotiate both the complex world of modern strategy an
