#### Sommario/riassunto

Iran, the Green Movement and the USA presents the paradox that the USA faces in dealing with Iran over its nuclear armament: negotiate, and legitimize Ahmadinejad's otherwise troubled presidency; resort to sanctions or military strikes, and altogether destroy the budding civil rights campaign of the Green Movement. Either way, as leading Iranian scholar Hamid Dabashi argues, the Islamic Republic will become even stronger. Featuring a short history of how the USA and Iran came to be in this confrontation, this elegantly written book provides the reader with a dynamic picture of the regional
