Autore	Rohde David W
Titolo	Parties and leaders in the postreform house [[electronic resource] /] / David W. Rohde
Pubbl/distr/stampa	Chicago, : University of Chicago Press, c1991
ISBN	1-282-67927-9 9786612679278 0-226-72405-0
Descrizione fisica	1 online resource (245 p.)
Collana	American politics and political economy series
Disciplina	328.73/0769
Soggetti	Political parties - United States Electronic books. United States Politics and government 20th century
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 213-224) and index.
Nota di contenuto	Front matter -- Contents -- Preface -- Acknowledgments -- 1. Parties in the House of Representatives -- 2. Reform and Its Consequences: A Closer Look -- 3. The Democratic Caucus: Membership Change and Organizational Developments -- 4. The Democratic Leadership: Party Agents and Agenda Management -- 5. Republican Reactions, Presidential Agendas, and Legislative Consequences -- 6. Conclusions and Future Prospects -- Notes -- References -- Index
Sommario/riassunto	Since the Second World War, congressional parties have been characterized as declining in strength and influence. Research has generally attributed this decline to policy conflicts within parties, to growing electoral independence of members, and to the impact of the congressional reforms of the 1970's. Yet the 1980's witnessed a strong resurgence of parties and party leadership-especially in the House of Representatives. Offering a concise and compelling explanation of the causes of this resurgence, David W. Rohde argues that a realignment of electoral forces led to a reduction of sectional divisions within the parties-particularly between the northern and southern Democrats-and to increased divergence between the parties on many important issues. He challenges previous findings by asserting that congressional reform

contributed to, rather than restrained, the increase of partisanship. Among the Democrats, reforms siphoned power away from conservative and autocratic committee chairs and put control of those committees in the hands of Democratic committee caucuses, strengthening party leaders and making both party and committee leaders responsible to rank-and-file Democrats. Electoral changes increased the homogeneity of House Democrats while institutional reforms reduced the influence of dissident members on a consensus in the majority party. Rohde's accessible analysis provides a detailed discussion of the goals of the congressional reformers, the increased consensus among Democrats and its reinforcement by their caucus, the Democratic leadership's use of expanded powers to shape the legislative agenda, and the responses of House Republicans. He also addresses the changes in the relationship between the House majority and the president during the Carter and Reagan administrations and analyzes the legislative consequences of the partisan resurgence. A readable, systematic synthesis of the many complex factors that fueled the recent resurgence of partisanship, *Parties and Leaders in the Postreform House* is ideal for course use.
