Sommario/riassunto	A unique guide to adolescent psychopathology, using a developmental approach Treating Adolescents is a comprehensive guide to adolescent mental health care, synthesizing evidence-based practice and practice-based perspectives to give providers the best advice available. By limiting the discussion to disorders which appear during adolescence, this useful manual can delve more deeply into each to present extensive evidence and practice-based rationales for approaching a range of psychopathologies. This edition has been revised to reflect the changes in the DSM-5 and the ICD-10, with entirely ne
