Sommario/riassunto	This book examines reason and unreason in the legal and political responses to terrorism. Terrorism is often perceived as sheer madness, unreasonable use of extreme violence and senseless, futile political action. These assertions are challenged by this book. Combining 'traditional' thought (by Kaplan) on reason and unreason in terrorism with empirical explorations of post-modern terrorism and its use of communication platforms (by Weimann) the work uses interdisciplinary and cross disciplinary dimensions? to provide a multidimensional picture of critical issues in current poli
