Nota di bibliografia Includes bibliographical references and index. Nota di contenuto From a critical event to ritualistic protests -- Public opinion on the eve of explosion -- Organization, communication, and mobilization -- The reshaping of public discourse -- Constructing the call for democracy --Contextual changes and strategic responses -- Development of the movement organization -- The social bases of continual protests --Making sense of participation -- The June 4 connection -- Conclusion. Since 2003, Hong Kong has witnessed a series of large-scale protests Sommario/riassunto which have constituted the core of a reinvigorated pro-democracy movement. What drove tens of thousands of citizens to the street on a yearly basis to protest? What were the social and organizational bases of the protest movement? How did media and public discourses affect the protests' formation and mobilization? How did the protesters

understand their own actions and the political environment? This book

tackles such questions by using a wide range of methods, including population and protest onsite surveys, media content_____
