Sommario/riassunto	Perspectives on Cancer Care is a unique collection of insights from contributors, based on their specific expertise and experience. It

provides a range of perspectives on cancer care that can inspire the readers and encourage high quality care through an enhanced understanding of the patients' needs and the carers' skills. Perspectives on Cancer Care presents a series of chapters highlighting different circumstances and approaches to the complex reality of cancer care. In each chapter the author presents their own picture of their experience of the individual's needs and the ca

2. Record Nr.	UNISA996397134003316
