Sommario/riassunto	The increase in China's economic and political involvement in Africa is arguably the most momentous development on the continent since the end of the Cold War. This book seeks to detail the origins, structure, workings and activities of The Forum on China-Africa Cooperation (FOCAC) and its development over the last nine years. Mindful of the growing realisation that Africa is to play an increasingly important role in global energy politics, Ian Taylor provides a clear and detailed overview of an organisation that has been generally overlooked, despite the exponential
