F. Torrance's Sacramental Theology; Chapter 14 Trajectories of a Trinitarian Eschatology; Chapter 15 Revelation and Natural Rights: Notes on Colin E. Gunton's Theology of Nature; Afterword; Index
Sommario/riassunto	Trinitarian Soundings in Systematic Theology is a multi-authored

exploration of systematic theology from a Trinitarian perspective. Its aim is to show how the doctrine of the Trinity sheds light on other key doctrines-from prolegomena to eschatology and theological ethics. To borrow a phrase from Robert Jenson, the doctrine of the Trinity 'is not a separate puzzle to be solved but the framework within which all theology's puzzles are to be solved'. Given the scarcity of systematic theologies done 'trinitarianly', this collective project suggests a path to follow in the formulation of each part

Nota di contenuto	pt. 1. Machiavelli the Prince -- pt. 2. Machiavelli's beginnings -- pt. 3. Machiavelli's books -- pt. 4. Machiavelli's politics.
Sommario/riassunto	Uniting thirty years of authoritative scholarship by a master of textual detail, Machiavelli's Virtue is a comprehensive statement on the founder of modern politics. Harvey Mansfield reveals the role of sects in Machiavelli's politics, his advice on how to rule indirectly, and the ultimately partisan character of his project, and shows him to be the founder of such modern and diverse institutions as the impersonal state and the energetic executive. Accessible and elegant, this

groundbreaking interpretation explains the puzzles and reveals the ambition of Machiavelli's thought. "The book brings together essays that have mapped [Mansfield's] paths of reflection over the past thirty years. . . . The ground, one would think, is ancient and familiar, but Mansfield manages to draw out some understandings, or recognitions, jarringly new."-Hadley Arkes, New Criterion "Mansfield's book more than rewards the close reading it demands."-Colin Walters, Washington Times "[A] masterly new book on the Renaissance courtier, statesman and political philosopher. . . . Mansfield seeks to rescue Machiavelli from liberalism's anodyne rehabilitation."-Roger Kimball, The Wall Street Journal
