Sommario/riassunto	A landmark work of western philosophy, ""On the Genealogy of Morality"" is a dazzling and brilliantly incisive attack on European ""morality"". Combining philosophical acuity with psychological insight in prose of remarkable rhetorical power, Nietzsche takes up the task of offering us reasons to engage in a re-evaluation of our values. In this book, David Owen offers a reflective and insightful analysis of Nietzsche's text. He provides an account of how Nietzsche comes to the project of the re-evaluation of values; he shows how the development of Nietzsche's understanding of the requirements o
