Local Peoples; 12; Development for Better or Worse; Notes; References and Suggested Reading; About the Author

Sommario/riassunto

This textbook explores Southeast Asia's modern peoples and their cultural ways and patterns of adaptation. It introduces the region's geography, languages, prehistory, and history, then delves into religion, ethnic complexity, food production, development, and tourism, and the changes that these evolving aspects of life have upon Southeast Asia's peoples and cultures.
