Sommario/riassunto	What knowledge and tools do pre- and in-service educators need to teach for and about social justice across the curriculum in K-12 classrooms? This compelling text synthesizes in one volume historical foundations, philosophic/theoretical conceptualizations, and applications of social justice education in public school classrooms. Part one details the history of the multicultural movement and the instantiation of public schooling as a social justice project. Part two connects theoretical frameworks to social justice curricula. Parts I and II are genera
