Sommario/riassunto	This book examines the role of civil society organizations in several

advanced European democracies: Germany, the Netherlands, Spain, Switzerland and the United Kingdom. Specifically the book focuses on how voluntary organizations contribute to civic and democratic health and assesses the impact of different organizational types on social capital. Building on Citizenship and Involvement in European Democracies and Social Capital and Associations in Europe (2007), this volume seeks to widen and deepen the analysis by introducing new data on activists and combining it
