Sommario/riassunto

The past decade has seen an explosion of interest in civics and citizenship education. There have been unprecedented developments in citizenship education taking place in schools, adult education centers, or in the less formally structured spaces of media images and commentary around the world. This book provides an overview of the development of civics and citizenship education policy across a range of nation states. The contributors, all widely respected scholars in the field of civics and citizenship education, provide a thorough understanding of the different ways in which citizenship h
