Sommario/riassunto	International risk consultant Dr David Hillson has advised many major organisations across the globe, showing them how to create value from risk. Now you can benefit from his unique approach and insights. Exploiting Future Uncertainty contains more than sixty focused briefings, each addressing a key part of the risk challenge. Using five themes, David covers the links between better business and risk-taking, basic risk concepts, making risk management work in practice, people aspects, and managing risk in the wider world. Each section is packed with clear practical advice with specific how-to t
