Sommario/riassunto	Upper-elementary students encounter a sometimes dizzying array of traditional and nontraditional texts both in and outside of the classroom. This practical handbook helps teachers in grades 4?6 harness the instructional potential of fiction, poetry, and plays; informational texts; graphic novels; digital storytelling; Web-based and multimodal texts; hip-hop; advertisements; math problems; and many other types of texts. Twenty-four complete lessons promote critical literacy skills such as comprehending, analyzing, and synthesizing
