### Sommario/riassunto

Praise for *Partners in Health* "The combination of visionary leadership, knowledge, and superb timing makes this book a winner. Health care is evolving toward collaboration and integration, and this book is essential reading for anyone wishing to change the relationships between hospitals and physicians."-Donald W. Fisher, PhD, president and CEO, the American Medical Group Association "This book is a must-read for anyone committed to a high-performance health system. It spells out the practical steps that will move us toward an accessible, coordinated, patient-centered system of c
