Sommario/riassunto	This book presents a groundbreaking exploration of masculinities and homosexualities amongst Chinese gay men. It provides a sociological account of masculinity, desire, sexuality, identity and citizenship in contemporary Chinese societies, and within the constellation of global culture.Kong reports the results of an extensive ethnographic study of

contemporary Chinese gay men in a wide range of different locations including mainland China, Hong Kong and the Chinese overseas community in London, showing how Chinese gay men live their everyday lives. Relating Chinese male homosexuality
