Sommario/riassunto	Theodor Wiesengrund Adorno (1903-1969), the German sociologist and philosopher was one of the intellectual leaders of the post-war Frankfurt School. This book presents and analyzes Adorno's writings on theology and religion in a clear and accessible manner. It is targeted at upper level undergraduate and postgraduate students, and will not presuppose any familiarity with Adorno. The book includes a general introduction to Adorno's thought, and examines his relationship with the work of Walter Benjamin and Jewish theology, his confrontation with scientific positivism (Karl Popper), and his crit
