Sommario/riassunto	Lacan and Levi-Strauss are often mentioned together in reviews of French structuralist thought, but what really links their distinct projects? In this important study, Markos Zafiropoulos shows how Lacan's famous 'return to Freud' was only made possible through Lacan's reading of Levi-Strauss. Via a careful and illuminating comparison of the work of the psychoanalyst and that of the anthropologist, Zafiropoulos shows how Lacan's theories of the symbolic function, of the power of language, of the role of the father and even of the unconscious itself owe a major debt to Levi-Strauss. Lacan and Le
