Sommario/riassunto

Examining the global experiences, challenges and achievements of Muslim women participating in physical activities and sport, this important new study makes a profound contribution to our understanding of both contemporary Islam and the complexity and diversity of women's lives in the modern world. The book presents an overview of current research into constructs of gender, the role of religion and the importance of situation, and looks closely at what Islam has to say about women's participation in sport and what Muslim women themselves have to say about their participation i
