Sommario/riassunto	Does talking about civic issues encourage civic participation? In his innovative book, Civic Talk, Casey Klofstad shows that our discussions about politics and current events with our friends, colleagues, and relatives-"civic talk"-has the ability to turn thought into action-from voting to volunteering in civic organizations.Klofstad's path breaking research is the first to find evidence of a causal relationship between the casual chatting and civic participation. He employs survey information and focus groups consisting of randomly assigned college freshman roommate
