Nota di contenuto	section I. Questioning psychoanalytical conceptualisation -- section II. Psychotherapy in culture and society : problems of migration, interculturality -- section III. Widening the borders in psychoanalytic treatment -- section IV. Is psychoanalytic research possible?.
Sommario/riassunto	This book will stimulate readers to cross borders: between theory and practice, between research and everyday therapy, between out-patient and in-patient psychotherapy, between the view of ones own, the known and the culturally foreign. Yet it is only with an awareness of these borders, an acknowledgement and respect of them, that it will be possible to proceed towards integrating differences, where this makes sense and appears necessary.
