Weapons of Mass Distraction; Chapter Six. "De-Brief" and "Hack"; Chapter Seven. Taking the Helmet Off; References; Index; About the Author |
| Sommario/riassunto | This book is focused on the way in which ethnocentrism and cultural bias can impact public health, and in this case, psychotherapeutic process. It examines a family therapy program being run by a major public university, tied to the criminal justice system and the educational establishment. |
