Sommario/riassunto	An unforgettable story of love and strife set during the industrial revolution After a decade spent living with her aunt in London, nineteen-year-old Margaret Hale returns home to her beloved village of Helstone only to discover that her pastor father has had a crisis of faith and is moving the family to the North of England. In the industrial town of Milton, Margaret is horrified by the dirty air, the shocking poverty, and the pervasive mistreatment of the working class. John Thornton, a student of Margaret's father and the self-made owner of a local textile mill, finds Margaret haughty and n
