Sommario/riassunto	This volume presents original and high quality contributions on women's migration from several different perspectives. Because of its complex nature, this topic has been examined in order to bring into dialogue a variety of theoretical perspectives, within an interdisciplinary context which includes not only sociology, anthropology, psychology and political geography, but also linguistics and literature. As the papers present the results of research projects which refer to specific geographic...

Sommario/riassunto	In this magisterial narrative, Zara Steiner traces the twisted road to war that began with Hitler's assumption of power in Germany. Covering a wide geographical canvas, from America to the Far East, Steiner provides an indispensable reassessment of the most disputed events of these tumultuous years. Steiner underlines the far-reaching consequences of the Great Depression, which shifted the initiative in international affairs from those who upheld the status quo to those who were intent on destroying it. In Europe, the 1930s were Hitler's years. He moved the major chess pieces on the board, forc
