Sommario/riassunto	Few academic disciplines have recorded their own origins and development in an organized way. The American Political Science Association, in cooperation with Pi Sigma Alpha, the political science honor society, and the University of Kentucky, have undertaken an extensive oral history project, the aim of which is to trace and record the growth of the discipline. The program has made it possible to amass hours of interviews with women and men who have influenced the study of political science. Political Science in America contains interviews with fifteen major figures who speak frankly about the
