Sommario/riassunto	This study focuses attention of the People's party which existed for a short time in the 1890's. Despite its brief existence the party and the movement that brought it into being had a lasting effect on American politics and society. Populism originally developed outside the political system because the system had proved incapable of responding to real needs. As the movement was transformed into the People's party, however, much of its responsive nature was lost. The People's party became subject to the same influences that guided the old parties and it became more concerned with winning office
