Sommario/riassunto

The Filson Club History Quarterly, first published in 1926, has long enjoyed a reputation as one of the nation's finest regional historical journals. Over the years it has published excellent essays on virtually every aspect of Kentucky history. Gathered together here for the first time are twenty-eight selections, chosen from the first fifty years of the journal's publication. These essays span the range of Kentucky history and culture from frontier criminals to best sellers by Kentucky women writers, and from Indian place names to twentieth century bank failures. Included among the essayist
