Sommario/riassunto	This volume is the result of an academic initiative organized by the Center for International Historical Studies of the University of Barcelona (CEHI-UB) in April 2012, with the purpose of bringing Military History to the center of the attention of university and historiographical debate. This choice is based on the idea that, too often, Military History is considered a technical discipline, only intended for experts. On the contrary, we think that - on the one hand - this research field cons...
