Sommario/riassunto	This book is organized as a commentary following the text of the B-Transcendental Deduction line by line. In so doing, it becomes evident that each step of the Deduction necessarily follows from the preceding step and is grounded in it, although not in the way the steps of a formal-logic deduction are. The primary hypothesis of this book is that the succession of steps is but the unfolding of the Principle of Apperception. The commentary assumes that the entire argument of the B-Deduction con...
