Sommario/riassunto

Updated, revised and enhanced with new features, the fifth edition of Making Sense of Sports is the strongest yet. Ellis Cashmore's unique multidisciplinary approach to the study of sports remains the only introduction to combine anthropology, biology, economics, history, philosophy, psychology, sociology with cultural and media studies to produce a distinct unbroken vision of the origins, development and current state of sports. New chapters on exercise culture and the moral climate of sports supplement an thoroughly overhauled text that includes fresh material on Islam, sports manag
