Discussions of the Practices -- 6. Authority -- 7. Tradition -- 8. Appropriation -- 9. Conclusions -- Bibliography -- Websites Cited -- Index.
Sommario/riassunto	"The meditative prayer practices known as Hesychasm and the Jesus Prayer have played an important role in the history of Eastern Orthodox Christianity. This book explores how these prayer practices have spread from a primarily monastic setting within Orthodox Christianity, into general Orthodox Christian usage, and finally into wider contemporary Western culture. As a result of this gradual geographic shift from a local to a global setting, caused mainly by immigration and dissemination of related texts, there has been a parallel shift of interpretation causing disagreement. By analyzing ongoing conversations on the practices, this book shows how such disagreements are due to differences in the way groups understand the

ideas of authority and tradition. These fundamental ideas lie beneath much of the current discussion on particular aspects of the practices and also contribute to the wider academic debate over the globalization and appropriation of religious traditions."--Bloomsbury Publishing.

2. Record Nr.	UNISALENTO991002702029707536
Titolo	Griechenland in der Kaiserzeit: neue funde und forschungen zu skulptur, architektur und topographie : kolloquium zum sechzigsten geburtstag von Prof. Dietrich Willers, Bern, 12-13 Juni 1998 / herausgegeben von Christoph Reusser
