and Economy / Serena Boutros -- 10 The Best of Brundtland: The Story of the International Institute for Sustainable Development / Lillian Hayward -- 11 Advocate or Auditor? The Conflicted Role of the Commissioner of Environment and Sustainable Development / Laura Smallwood -- 12 Building a Sustainable Development Infrastructure in Canada: The Genesis and Rise of Sustainable Development Technology Canada / Anique Montambault.

Sommario/riassunto	Analyses a number of dimensions of the Canadian experience in implementing sustainable development. This title discusses both the breakthroughs and disappointments of the Canadian experience, and looks toward the future to discuss what additional steps need to be undertaken domestically if Canada is to once again achieve a position of leadership.
