The question of why some countries have democratic regimes and

others do not is a significant issue in comparative politics. This book

Sommario/riassunto

looks at India and Pakistan, two countries with clearly contrasting political regime histories, and presents an argument on why India is a democracy and Pakistan is not. Focusing on the specificities and the nuances of each state system, the author examines in detail the balance of authority and power between popular or elected politicians and the state apparatus through substantial historical analysis.India and Pakistan are both large, multi-religiou
