Sommario/riassunto	There is a growing interest in human security in Southeast Asia. This book firstly explores the theoretical and conceptual basis of human security, before focusing on the region itself. It shows how human security has been taken up as a central part of security policy in individual states in Southeast Asia, as well as in the regional security policy within the Association of Southeast Asian Nations (ASEAN). The book discusses domestic challenges for human security including the insurgencies in southern Thailand, the Philippines and Indonesia. Transnational security issues such as terrorism,
