Sommario/riassunto

Don't Change the Light Bulbs offers tips and hints on how to be the best teacher you can be, and is written by some of the most respected leaders in education today. It covers primary, secondary and post 16 phases, in addition to cross curricular sections on leadership, ICT, inclusion, creativity, SEN and tutoring. It also presents the practical advice of those who have been there and done it and who now want to share their collective wisdom with you. The aim of which is to make education better, not just in your classroom but for everyone. A useful and inspirational book, it can be read
