Sommario/riassunto	In this major biography of an important politician and statesman, Dean Kotlowski presents the life of Paul V. McNutt, a great understudied figure in the era of FDR. McNutt was governor of Indiana, high commissioner to the Philippines (while serving he helped 1,300 Jews flee Nazi Germany for Manila), head of the WWII Federal Security Agency, and would-be presidential candidate. Paul V. McNutt and the Age of FDR explores McNutt's life, his era, and his relationship with

Franklin Roosevelt. It sheds light on the expansion of executive power at the state level during the Great Depression, the theo
