Sommario/riassunto	Robert Guion's best seller is now available in this new second edition. This noted book offers a comprehensive and practical view of assessment-based personnel decisions not available elsewhere in a single source. This edition more frankly evaluates the current research and practice and presents challenges that will change the basic thinking about staffing systems. This new edition suggests new directions for research and practice, includes emphasis on modern computers and technology useful in assessment, and pays more attention to prediction of individual growth and globalization ch

Sommario/riassunto	PART ONE presents a league table of child well-being in 29 of the world's advanced economies. PART TWO looks at what children say about their own well-being (including a league table of children's life satisfaction). PART THREE examines changes in child well-being in advanced economies over the first decade of the 2000's, looking at each country's progress in educational achievement, teenage birth rates, childhood obesity levels, the prevalence of bullying, and the use

of tobacco, alcohol and drugs.
